#### **THE US CENSUS IS UNDERWAY. THE 2020 CENSUS IS FOR EVERYONE.**

The 2020 Census is more than a population count. It's an opportunity to shape our community's future. The results of the 2020 Census will help determine how hundreds of billions of dollars in federal funding flow into communities every year for the next decade. That funding shapes many different aspects of every community, no matter the size, no matter the location.

Check out the Response Rates Map <https://2020census.gov/en/response-rates.html> and Rankings Dashboard <https://public.tableau.com/profile/us.census.bureau#!/vizhome/2020CensusSelf-ResponseRankings/RankingsDashboard> to see how Chautauqua County is doing. As of today, the National Self-Response rate is 55.6%; NYS Self-Response rate is 49.9%; and the Chautauqua County Self-Response rate is 48.1%. We can do better. If you are one of the 48.1% who have responded, thank you. If you are one of the 51.9% that has put off responding, what are you waiting for? Make today the day you help your community by completing the 2020 Census.

Census results affect our community every day – school lunches; plans for highways and health clinics; support for firefighters; education programs like Head Start and college tuition assistance; and families in need. The list goes on, including programs to support rural areas, to restore wildlife, to prevent child abuse, to prepare for wildfires, and to provide housing assistance for older adults.
