196	Since this is a tiny village community, and everyone knows everyone, (except me as I moved here from Buffalo NY), and others comment on what goes on at my home such as who is at my home and when (bizarre to me that people actually comment on who is here and when) and I've been the victim of crimes that I've reported and received no investigation and no satisfactory response, the most important issue to me is that something be done regarding the complaints I've filed. I've had a stranger in my driveway who seemed to be hiding because my dogs were barking like crazy and every time I looked out I saw nothing, until about the fifth time I got up and looked out and a man was near the front bumper of my vehicle and when I asked "what are you doing here" his response was I live on the corner of Second St and Backman and I can hear your dogs at my house", he then got up and started to walk away and was obviously drunk. I called the police, described the man, told them what he said, (which was where he lived), I told them he was obviously drunk as he looked as if he was going to fall over as he walked away and when he spoke was slurring his words. One of the two responding officers asked "has anyone else seen him other than you?" Since I was home alone with my dogs the answer was no. Nothing was done in response.	12/28/2020 1:28 PM

167	Another crime reported was that I had an ADT alarm system, and there were 12 different IP Addresses logged in to my online monitoring service, and the only person allowed to access my services was me. ADT advised me to report this to the police as I had been having break in's to my home which is why I installed the alarm system, and per ADT the only entity allowed to investigate the other IP Addresses who had hacked in to my account was law enforcement officials. They were shown screenshot photos of the various IP Addresses that were in my monitoring system and I don't have WiFi and I only accessed my monitoring system from my cell phone, and only while I was home, and again nothing was done in response to this criminal behavior. My IP Address was static as it was only logged in from home and only from one device, which would account for only one legal IP Address, with the remainder being hackers. Two officers responded to the call, neither identified themselves, no badge number or name of the officers was given, and I never received a report until I requested one at a later date. When I read the report it stated that the officers responded to "a welfare check" which is completely untrue. The call I made was regarding my alarm system and requesting an investigation into who owned the other IP Addresses who had hacked in to my alarm system per advice from ADT. ADT in fact advised that the IP Addresses did belong to other cell phones, and desktop computer systems, as they knew my IP Address because I logged in while on the phone with them, and they know their company log in IP Addresses because they have a unique address and they can identify their own, as well as the difference between cell phones and desk top devices.	12/28/2020 1:28 PM

146	On another occasion, I went into my backyard from my sliding glass door and when I went to go back in to my home my sliding glass door was locked. I had nothing with me at that time because I went outside to put my grill cover back on my grill. I had to go to a neighbors home to ask for help to use their phone to try and find a locksmith. No locksmith responded, so I called the police. The police responded, and I told them what happened and they went to my sliding glass door, and asked if I "had the stick in the door". I of course told them I did not because it was the door I exited my home from. The door was locked though and there is no keyed lock on the door, so of course I didn't lock it because I exited the house from the sliding glass door. One officer then manipulated the door and had it opened within the spanned two minutes. When I got back in to my home I discovered that medication had been stolen from my home. I called to report that that is what happened, so someone had entered my home while I was outside, locked the sliding glass door, and stolen the medication. Nothing was ever investigated regarding that incident either.	12/28/2020 1:28 PM

24	I agree we need officers. But they need to be more in tuned with the people and communities they police. They need to be more on the social work side than on the catch the bad guy side because most crimes are a result of mental health and addiction	12/27/2020 6:14 PM

41	Unfortunately, I believe the atmosphere around "police" has become a nationally decisive issue due to the immoral and unethical practices of the few. 1	Based on what criteria?	1/25/2021 11:52 AM
2	very little training in social services and human behavior	1/22/2021 4:58 PM
3	I think they're very well trained in many aspects, but would prefer more training about inherent bias, de-escalation, and social issues.	1/22/2021 9:42 AM
4	There is a clear gap in the training for any officer living in Chautauqua Co. even if due to location and demographics (lack of experience)	1/21/2021 4:56 PM
5	And they're violent	1/21/2021 10:30 AM
6	The couple I know seem well trained and responsive	1/20/2021 7:08 PM
7	I can't answer this since I have little experience with officers. I highly respect them and pray for them.	1/14/2021 9:53 AM
8	They are trained well but could always benefit from more.	1/12/2021 6:33 AM
9	My few interactions have all been good. But, I answered this way because I wonder how much ongoing support and training officers get once on the force. I think that this is really important.	1/11/2021 6:10 PM
10	But due to poor pay, they always leave for better job.	1/5/2021 9:49 PM
11	There are some that could use more training with a larger budget.	1/1/2021 7:59 PM
12	Not trained in racism nor handling mental illnesses	12/31/2020 1:52 PM

17	They are too confrontational and biased against persons of color	12/29/2020 7:35 PM
18	Not sure what they are trained on	12/29/2020 6:01 PM
19	I'm sure they are but we also don't have the big city issues most places have, I'm sure these officers would probably never see some of the things here that are out there	12/29/2020 5:01 PM
20	Training changes by the minute. Training should be done more frequently.	12/29/2020 4:36 PM
21	A full-time officer is exposed to many different situations on a daily basis, those situations build knowledge and confidence which leads to patience. A part-time officer may only work once every couple of weeks. No fault of their own this leads to in a lack of experience for those officers. That lack of experience may manifest into a overreaction or an inability to act in a controlled confident manner during a stressful situation, a lack of patience.	12/29/2020 3:53 PM
22	There is always room for improvement in every field due to technology	12/29/2020 1:42 PM

40	While I do believe our officers are well trained. I also believe training needs to be on going throughout an officers career, even if it is repetitive. One who is serious about their job will always benefit from additional training.	12/28/2020 12:46 AM
41	Could definitely use more training and reminders of their job description and staying within their specific roles	12/27/2020 8:48 PM
42	Some officers are, it is how they assert themselves.	12/27/2020 7:56 PM

44	Tom Drake was well trained	12/27/2020 4:41 PM
45	Police as a whole should be required to have more education and community experience.	12/27/2020 2:38 PM

54	Sherriffs are very easy to work with. They treat you like person unlike sp	12/26/2020 10:57 AM
55	I believe training can always be improved. I have heard the budgeting to provide for training is lacking.	12/26/2020 9:36 AM
56	Training should always be ongoing	12/23/2020 3:44 PM
57	I think there needs to be more training, not offering classes or in services that are optional, they need to be mani Tory.	12/23/2020 11:25 AM
58	I think officers should have the best training available. being in social services myself, I know I am disappointed in some of our training, and hope that the police have the best training available.	12/23/2020 9:22 AM
59	Some need additional training	12/23/2020 8:31 AM
60	In the encounters that I've had they seem to be trained well. The rating I gave was because I haven't had extensive interaction to know any different.	12/23/2020 6:22 AM

21	NO COMMENT. I did see a truck parked in front of the air machine for tire inflation at Crosby's in Westfield that had a can of beer in the cup holder next to the drivers seat. I went to Crosby's to inflate a deflated tire .. the air machine had an "out of order" piece of paper taped on it. Apparently it's ok to drink and drive in Westfield. As far as my knowledge goes it's always been illegal to drink and drive in NY State. 42	I know of several situations in the recent past in which Sheriffs Officers took part in unethical practices and in some cases violated legal statutes without being held accountable. Unfortunately, the brotherhood of the thin blue line requires officers to cover for and even lie to protect one another. For example, an officer was stalking their estranged spouse after an abusive relationship and harassing the spouses friends with threats of planting evidence to bring false charges. This was brought to the attention of the officer's superior with evidence, yet the officer remained employed for several more years.	12/22/2020 3:50 PM

6	No, I've personally never complained and I don't imagine there are many people of color who would either. There is no formal complaint process, there is no real accomodation made to someone with a valid complaint to do so outside of physically coming into the police station. According to JPD's website, the process for complaints is to come in and "speak" to someone. Risk passing the officer on my way to complain? Risk hitting this small-town blue wall? Risk retaliation? Education on the process, transparency and consequences go a long way!	1/21/2021 4:56 PM

7	Yes, officers in Jamestown, Chautauqua Co., NY state, and the country at-large show bias when dealing with people they do not consider their "peers". To have to answer this question again, after watching this VERY thing unfold daily in our news, newspapers, social media, etc. is extremely counterproductive. 1	Does the amount of paperwork required make follow through an unnecessary or overly frustrating task for officers?	1/25/2021 11:52 AM
2	wouldn't it be nice to raise that ranking by facing the challenges YOU have and not just those you think have challenges.	1/22/2021 4:58 PM
3	I only put a 8 on that because I feel as if our Jamestown officers are under staffed and there's always room for improvement no matter what the situation is. I also feel that school resource officers being out of the school currently hurts the relationships the kids could be building with the officers.	1/21/2021 8:11 PM
4	Zero wasn't an option	1/21/2021 10:30 AM
5	Thank you for your service	1/20/2021 8:39 PM

7	I've too little experience to be able to meaningfully rate.	1/11/2021 6:10 PM
8	We need more	1/1/2021 8:12 PM
9	I honestly don't know if they are doing a good job or not. No news is good news, I don't know.	12/30/2020 9:59 PM
10	I largely have no experience with JPD but do know that they are not knowledgeable/responsive when it comes to animal issues	12/29/2020 7:47 PM
11	I've never had a negative interaction with an officer, town, city, Sheriff, or state	12/29/2020 7:46 PM
12	Some officers are great others just won't help due to not wanting to Take on the work load of small crimes	12/29/2020 3:13 PM
13	So very thankful for our police officers working in the most ridiculous of times! God Bless them and keep them safe!!	12/29/2020 6:41 AM
14	I'm frustrated that they can't do more about a certain neighbor I have, but that's Cuomo's reform bill, not the police officers' fault.	12/29/2020 1:16 AM
15	Very proud of our police and law enforcement !	12/28/2020 6:13 PM
16	Knowing how good the police department in this area is was part of my decision to live and work here	12/28/2020 4:28 PM
17	NO COMMENT	12/28/2020 1:28 PM
18	I have not been affected by crime. But I have witnessed extremely poor responses to situations involving custody disputes in a neighboring community.	12/28/2020 1:03 PM
19	The NYSP is a tool used strictly to collect revenue for the nys govt while the local police are forced to fight crime	12/28/2020 1:02 PM
20	I can't judge what I do not know	12/28/2020 12:55 PM
21	I enjoy seeing the widespread and continual patrol of our neighborhoods, but in the 8 years I've lived within the village I have seen an officer pull someone over 1 time. Speed limits/stop signs are not enforced. Could be a valuable tax revenue that is not utilized.	12/28/2020 12:26 PM
22	I chose 5 as there is always room for improvement.	12/28/2020 12:17 PM

29	Varies from time to time depending on the officer.	12/27/2020 6:59 AM
30	How about the officer they nightmare they had... I was involved and affected...	12/26/2020 10:06 PM
31	As I said before I have a great respect for our men and women who are out in the community keeping us safe watching out for us while we sleep and many people don't even realize that, I have been out and had them stop to make sure everything was okay. I was surprised that the officer noticed I was out walking from one building to another and it wasn't normal and he noticed. I've always had respect for the police and after that encounter I really felt that our Busti-Lakewood department was above and beyond what I had believed they did out on the streets. I want to say Thank you to all the police keeping me safe!	12/26/2020 3:52 PM
32	I do think we need more officers.	12/26/2020 9:36 AM
33	Not satisfied with the release of criminals , seriously !	12/23/2020 9:03 PM
34	I think that the police here in Jamestown are spread to thin and can't be as proactive as they should be, hopefully with a new chief it will be different.	12/23/2020 11:25 AM
35	I suspect that the rampant use of drugs and alcohol by youth must not go unnoticed and wonder if there is the will to really address those things. I suspect many officers might consider it normal youth behavior but ignore the sacred responsibility to keep kids in check for the sake of their adult selves who will have the consequences of mistakes made while being intoxicated and the problem of addiction	12/22/2020 10:22 PM
36	We just hope the schools can fund more. Also would be nice to see some officers in local towns on bikes.	12/22/2020 7:00 PM
37	It appears that the police are tied up most days for the same calls from the same people, while others wait hours or days to have their complaints taken	12/22/2020 3:41 PM
38	Awesome chief of Carroll police and deputies as a Mather of fact we need to hire more officers	12/22/2020 2:52 PM
39	I think the deputies do a great job overall	12/22/2020 1:48 PM
40	If this is a ploy to remove our department, we the people of this community will fight to the bitter end! Response times of state and county would make this a very dangerous place to live!	12/22/2020 1:39 PM
41	There is always room for improvement, but I feel an outstanding job is being done.	12/22/2020 1:38 PM

13	I would like to see them walk the streets and interact with the towns people like they use too.	1/5/2021 7:17 PM
14	When you call the police for a disturbance and you tell them you want to press charges the officer should not respond well you guys always call us for disturbance. Oh so sorry to have to make you do your job. Also when I call if for a reason as we are a college town there's going to be disturbance by with late night a drinks as this last guy was on something to have acted the way he did. What the cops expressed was prejudice.	1/5/2021 9:46 AM
15	The L-BPD is already stretched thin and need more support from the community not less.	1/3/2021 12:02 PM
16	Sheriffs need a better education to cover the community's needs	1/1/2021 11:10 PM
17	I am grateful for our police force. I would like to see policing extend past politics, and promoting positive community engagement. Politics have no place in policing- the goal should be to keep everyone safe, and making positive strides in their communities. Thank you for everything that you do.	12/31/2020 8:27 PM
18	At least one dirty cop calls and warns fugitives when warrant searches are happening..	12/31/2020 6:53 PM
19	The officer who appears to be in charge of my local police department's social media has posted some things I find objectionable. It makes me question their judgment.	12/31/2020 12:28 PM
20	I do appreciate that the sheriff is trying and open to change/reform. Thank you. That's the first step.	12/31/2020 11:05 AM
21	It's improving with Jackson and Forester	12/31/2020 10:52 AM
22	I have two nephews who are law enforcement officers. It's not an easy job. Dealing with students is not easy. Ferguson, Mohaunts me. That force had no ties to the community at large. It was a horrible example of lack of leadership. I would never want to see anything like that in our county.	12/30/2020 9:59 PM
23	Have not seen or heard of any bias, so not sure.	12/30/2020 2:29 PM
24	Not enough information released on local crimes.	12/30/2020 8:50 AM

28	I appreciate and value our police department.	12/29/2020 11:36 AM
29	All these men are wonderful !	12/29/2020 10:40 AM
30	Police don't need retrained, people do	12/29/2020 10:17 AM
31	my husband has taken to seeking mediation in our differences with the police. Although I am appalled that he's done this.... I believe the police have been generally respectful, although I believe it's wearing thin.	12/29/2020 10:00 AM
32	I once needed the police and the sheriff's were the only ones that would come.	12/29/2020 8:05 AM
33	I would feel unsafe without a weaponized police department.	12/29/2020 1:16 AM
34	I believe that the CCSO is the best trained and most professional police organization in the county. To have the county legislature understand that SRO'S are a pipeline to the community and for the legislature to provide each school with a SRO would aid in community relationships.	12/28/2020 11:57 PM
35	If anything, more cooperation and SUPPORT from the leaders in the community would help a lot. It seems the most vocal opponents of our wonderful police tend to either be (or closely associate with) a criminal element. Nobody has the courage anymore to actually say they support law and order. Good people (ALL good people of all race/gender group) want to feel safe. It is an incontrovertible FACT that more police equals more safety.	12/28/2020 10:40 PM
36	They do a difficult job very well.	12/28/2020 10:32 PM
37	Why can't the police officers help in the community look at other facebook pages of other agencies in chaut county..not Fredonia just post pictures of food.	12/28/2020 10:21 PM
38	My big hope is that our officers are given ways to cope with the stress and trauma they experience from seeing people often in their worst moments.	12/28/2020 7:41 PM
39	The police are great. I back the blue	12/28/2020 7:13 PM
40	Anytime I've needed assistance (got stuck in the snow and they got me out, when I found my mother dead and I called 911, they responded immediately and stayed with me until Mom was taken care of) from the Fredonia police, they have conducted themselves in a professional and kind manor. I have never been in trouble with the law, so I don't know how the interaction would be in that circumstance.	12/28/2020 6:25 PM
41	Generally, I have a limited "fear" of the police because they occupy a position of force and power. I don't really know what to expect from an encounter.	12/28/2020 5:19 PM
42	Some officers, including Chief, are friendly, helpful and kind. Too many are unnecessarily unkind and unreasonably difficult. Who you are (or aren't) matters in this town.	12/28/2020 4:46 PM
43	Has always done the job even when shorthanded. Need more full time officers,better working conditions and board support. Footski@netsync.net	12/28/2020 4:36 PM
44	The officers here are amazing. They work hard to support and protect this community. They are assets.	12/28/2020 4:28 PM
45	I moved to Fredonia after living 60 years of my life in the town of Tonawanda. I always felt safe in Tonawanda and I feel the same in Fredonia. Professional, polite, and we'll trained.	12/28/2020 4:11 PM
46	I definitely think the officers should get to know their residents. I lived in Kenmore for 11 years before moving to Fredonia. Both are small towns. I knew almost every officer by first name. I don't know any officers in Fredonia after living here 11 years.	12/28/2020 2:44 PM
47	I cannot download an email address on my hacked phone. I'd love a response.	12/28/2020 1:28 PM

50	I would like to see a local police department instead of county	12/28/2020 12:55 PM
51	I have felt very safe for the close to 10 years that I have lived in the area. Keep up the great work! I personally think that this reform the police is a crock of bull. Back the blue!!! The fact	12/28/2020 12:14 PM

that the governor demands this proves that he has no respect towards the police and is pandering to the antifa and BLM rioters

52	Any time I've needed the help of the Fredonia PD they've always made me feel heard and respond compassionately. I'm proud of the officers who serve our community and appreciate everything they do.	12/28/2020 12:07 PM

54	I believe that the police department dos extremely well with the resources available to them	12/28/2020 11:29 AM
55	Stop aggressively arresting people for victimless crimes	12/28/2020 10:52 AM
56	I have no issues or complaints. In the past, when I have needed assistance the LBPD has been very responsive.	12/28/2020 10:44 AM
57	police did excellent job of reducing fear after the murder in dunkirk (grandkids go to school there)	12/28/2020 10:19 AM
58	As for me and my house we support the "blue". This whole thing is pure political craziness. A spitting into the wind of uselessness. The police don't need to be fixed. Society does!	12/28/2020 9:09 AM

64	Community involvement will help stop the negativity against law enforcement.	12/27/2020 12:48 PM
65	Not just the current state of the police. But the entire government system in America is broken beyond repair and must be replaced with an updated system. It's going to happen eventually, and if it's not done peacefully soon, when the 1% crosses that 75% mark of what they own due to the broken system, I fear it will happen violently. I commend the police for taking steps now to change their own system where it is broken, please remember to stay vigilant from now on to find problems and fix them in a timely fashion and to destroy corruption in your ranks.	12/27/2020 12:27 PM

68	Jim Quatrone is doing a fantastic job and is a great leader	12/26/2020 10:15 PM
69	How did he get hired? Why wasn't it in the news... this was big... it affected allot of people in my town, myself included. I'm ready to talk... it still to this day affects me... I'm caelan smith, I'm 22 from frewsburg. When an officer puts their hands on you and comes in your home with no warrant, he doesn't tell me why he's there, I have ptsd. I didn't go to the police department about it... would you? then then he's fired for some reason, and I find out later that he was fired and had been in trouble for misconduct in his past, he was previously fired from other departments.... how did this happen? Phone: 585-378-0730 email: caelangsmith@outlook.com	12/26/2020 10:06 PM
70	I would like to see them patrol out into the town more. We don't ever see NYSP or Sheriffs cars on our side roads.	12/26/2020 7:02 PM

76	Police officers need to show the same respect they demand. They need to quit using charges to shut up and control those they interact with that are voicing their Grievances. To treat its citizens that they serve as equals and not above them, no matter the persons station in life. To stop looking for excuses to search a persons personal effects without probable cause. It is known they exaggerate the circumstances to provide themselves the excuse to do so, the end justify the means. thomasbartlett2012@gmail.com	12/26/2020 9:32 AM
77	I do not have a lot of interaction with the police other than seeing them out in public and the few times I've been pulled over for speeding but I have never had a bad interaction with them.	12/26/2020 9:21 AM
78	Our police are under staffed and due to the number and types of calls have a difficult time connecting with community	12/24/2020 12:00 PM
79	I have seen aggressive political and racial comments posted by a Fredonia Police officer online, which I find to be inappropriate and a liability to the village if an issue were to arise. I have had many other community members point out these comments to me as well.	12/23/2020 12:06 PM
80	Every one should support and respect our officers	12/22/2020 10:26 PM
81	Police are an important line of Law and Order. A survey like this this presumes that our nation's problems this summer related to riots was really because of bad policing. I'm sure there are examples. However, police are everyday public servants who deserve gratitude. The fact that they are in the ones on the defensive and mandated by the governor to get this feedback is a shame. I have often felt police are willing to speak up and receive feedback. Keep up the good work. May God give you wisdom in all quick decisions in stressful moments to act as rightly as possible. Police need our prayers more than our criticism.	12/22/2020 10:22 PM
82	I don't have a great deal of interactions with the police and am generally unable to comment.	12/22/2020 7:33 PM
83	They've done a great job responding to our fires and have even gotten some stops	12/22/2020 7:27 PM
84	they do a hell of a good job and dont never defund the police never	12/22/2020 5:31 PM
85	I am very happy with FPD. Any time I have had interactions with them they are professional, friendly and compassionate	12/22/2020 4:14 PM
86	jeff.embury@gmail.com	12/22/2020 3:56 PM
87	It would be a BAD idea to defund police anywhere in our country.	12/22/2020 3:12 PM
88	Overall my experience has been very positive. However, I know from the population I work with that there is a huge mistrust of law enforcement, particularly from low income and minority families.	12/22/2020 3:09 PM
89	Keep up the great work.	12/22/2020 2:16 PM
90	All in all the chautauqua county sheriff's department is a decent police agency. My only complaint is response time. We had to call 911 at 2:30 in the morning this past sure for a drink or high on something guy that was pounding on our door and it literally took 22 mins for the state police to show up then a sheriff about 5 mins after the state police. A lot can happen in 22 mins.	12/22/2020 1:29 PM
91	I think we have proper police force for our community. We should keep what we have. It's just enough and they do a good job.	12/22/2020 1:23 PM
92	I respect them and admire them for being in the helping profession	12/22/2020 1:04 PM
93	I feel they are doing a great job but need more support from the public as well as funding.	12/22/2020 12:58 PM
