

**17 DISTRICT DRAFT PLAN – SUBJECT TO PENDING  
BOARD OF ELECTIONS REVIEW**

LOCAL LAW  
INTRODUCTORY NO. \_\_\_\_-22  
CHAUTAUQUA COUNTY

A LOCAL LAW ESTABLISHING A COUNTY LEGISLATURE FOR THE COUNTY OF  
CHAUTAUQUA REAPPORTIONED ON THE BASIS OF THE 2020 FEDERAL CENSUS

BE IT ENACTED by the Legislature of the County of Chautauqua as follows:

SECTION 1. This Local Law is intended to establish legislative districts in the County of Chautauqua substantially equal in population based upon the 2020 Federal Census figures so as to prevent impairment of constitutionally protected rights. It is further intended to fulfill the mandates of the County Charter and to supersede Local Law Number 1-13.

SECTION 2. There is hereby created in and for the County of Chautauqua a County Legislature which shall be the elective governing body of the County of Chautauqua. The representatives elected from the various County Legislative Districts, as herein established, shall be known collectively as the County Legislature.

SECTION 3. County Legislators shall be elected at general elections to be held in odd-numbered years from the districts herein established. The first election of County Legislators under this Local Law will be held at the general election to be held in the month of November, 2023. The term of office of all County Legislators, except to fill a vacancy, shall be two (2) years commencing on the first day of January of the year next following their election.

SECTION 4. The County Legislature shall consist of seventeen (17) legislators. One legislator shall be elected from each of the seventeen (17) districts as herein described.

SECTION 5. Each County Legislator shall have one vote in the County Legislature.

SECTION 6. All references to roads, railroad right of ways, creeks, lakes, rivers, municipal boundary lines, and other geographical features shall relate to such features as they existed on May 13, 2022.

SECTION 7. The Legislative Districts shall consist of the 2020 United States Census Blocks identified in Appendix A to this Local Law. Each district's group of census blocks are further described as set forth below. In the event of an inconsistency between Appendix A and the written description set forth below, the apparent geographic intent of the United States Census Bureau in the formulation of the listed census blocks shall govern.

**District 1** shall be composed of all of the Town of Dunkirk located east of the City of Dunkirk and all those portions of the City of Dunkirk and Town of Pomfret situate within the following described boundaries: BEGINNING at the intersection of the northeast corner of the Town of

Dunkirk at the shoreline of Lake Erie; thence southerly along the east boundary line of the Town of Dunkirk to its intersection with the northeast corner of the Town of Pomfret; thence continuing southerly along the east boundary line of the Town of Pomfret to its intersection with the centerline of Main Street; thence southwesterly along the centerline of Main Street to its intersection with the centerline of Bennett Road (State Route 60); thence northerly along the centerline of Bennett Road to its intersection with the southwest corner of U.S. Census Block 4044; thence northerly along the eastern boundary of U.S. Census Block 4044 to its intersection with the south boundary of the Town of Dunkirk; thence westerly along the south boundary of the Town of Dunkirk to its intersection with the east boundary line of the City of Dunkirk; thence northerly along the east boundary line of the City of Dunkirk to its intersection with the centerline of Ice Cream Drive; thence northeasterly along the centerline of Ice Cream Drive to its intersection with the centerline of Lamphere Street; thence northwesterly along the centerline of Lamphere Street to its intersection with the centerline of Maple Avenue; thence northwesterly along the centerline of Maple Avenue to its intersection with the centerline of East Fifth Street; thence westerly along the centerline of East Fifth Street to its intersection with the centerline of Central Avenue; thence northerly along the centerline of Central Avenue to the shoreline of Lake Erie; thence northeasterly along the shoreline of Lake Erie to the northeast corner of the Town of Dunkirk, being the point or place of beginning.

**District 2** shall be composed of all the portions of the City of Dunkirk and Town of Dunkirk not included in District 1, and all of the portion of the Town of Pomfret not included in Districts 2, 3, and 4.

**District 3** shall be composed of all that portion of the Town of Pomfret and Village of Fredonia situate within the following boundary lines: BEGINNING at the intersection of the centerline of Main Street and the north boundary of the Town of Pomfret; thence westerly along the north boundary of the Town of Pomfret to its intersection with the northeast corner of U.S. Census Block 1005; thence southwesterly along the south boundary line of U.S. Census Block 1005 to its intersection with the centerline of Chestnut Road; thence southeasterly along the centerline of Chestnut Road to its intersection with the centerline of Chestnut Street in the Village of Fredonia; thence southeasterly along the centerline of Chestnut Street to its intersection with the centerline of West Main Street; thence northeasterly along the centerline of West Main Street to its intersection with the centerline of Water Street; thence southeasterly along the centerline of Water Street to its intersection with the centerline of Webster Road in the Town of Pomfret; thence easterly along the centerline of Webster Road to its intersection with centerline of Porter Road; thence northerly along the centerline of Porter Road to its intersection with the centerline of Wilson Road; thence northeasterly along the centerline of Wilson Road to its intersection with the centerline of State Route 60; thence northerly along the centerline of State Route 60 to its intersection with the centerline of Main Street; thence northerly along the centerline of Bennett Road to its intersection with the southwest corner of U.S. Census Block 4044; thence northerly along the eastern boundary of U.S. Census Block 4044 to its intersection with the north boundary of the Town of Pomfret; thence westerly along the north boundary of the Town of Pomfret to its intersection with the centerline of Main Street, being the point or place of beginning.

**District 4** shall be composed of all that portion of the Town of Pomfret, Village of Fredonia, Town of Sheridan, Town of Arkwright, Town of Stockton, and Town of Charlotte situate within

the following described boundaries: BEGINNING at the intersection of the western boundary line of the Town of Pomfret and the centerline of West Main Street; thence northeasterly along the centerline of West Main Street to its intersection with the southwest corner of U.S. Census Block 1019; thence northerly along the western boundary line of U.S. Census Block 1019 to its intersection with the centerline of Berry Road; thence northerly along the western boundary line of U.S. Census Block 1009 to its intersection with the centerline of Van Buren Road; thence northerly on a continuous basis along the western boundary lines of U.S. Census Block 1007, U.S. Census Block 1008, and U.S. Census Block 1030 to its intersection with the north boundary line of the Town of Pomfret; thence easterly along the north boundary line of the Town of Pomfret to its intersection with the centerline of Chestnut Road; thence southeasterly along the centerline of Chestnut Road to its intersection with the centerline of Chestnut Street in the Village of Fredonia; thence southeasterly along the centerline of Chestnut Street to its intersection with the centerline of West Main Street; thence northeasterly along the centerline of West Main Street to its intersection with the centerline of Water Street; thence southeasterly along the centerline of Water Street to its intersection with the centerline of Webster Road in the Town of Pomfret; thence easterly along the centerline of Webster Road to its intersection with centerline of Porter Road; thence northerly along the centerline of Porter Road to its intersection with the centerline of Wilson Road; thence northeasterly along the centerline of Wilson Road to its intersection with the centerline of State Route 60; thence northerly along the centerline of State Route 60 to its intersection with the centerline of East Main Street; thence northeasterly along the centerline of East Main Street to its intersection with the centerline of South Roberts Road; thence easterly along the centerline of South Roberts Road to its intersection with the centerline of Mezzio Road in the Town of Sheridan; thence easterly along the centerline of Mezzio Road to its intersection with the centerline of Laona Road; thence northeasterly along the centerline of Laona Road to its intersection with the eastern boundary line of the Town of Sheridan; thence southerly along the eastern boundary line of the Town of Sheridan to its intersection with the north boundary of the Town of Arkwright; thence westerly along the north boundary of the Town of Arkwright to its intersection with the centerline of Creek Road; thence southerly along the centerline of Creek Road to its intersection with the centerline of State Route 83; thence easterly along the centerline of State Route 83 to its intersection with the centerline of Farrington Hollow Road; thence southerly along the centerline of Farrington Hollow Road to its intersection with the centerline of Bard Road; thence westerly along the centerline of Bard Road to its intersection with the northeast corner of U.S. Census Block 3001; thence southerly along the eastern boundary line of U.S. Census Block 3001 to the northeast corner of U.S. Census Block 3002; thence southerly along the eastern boundary line to its intersection with the centerline of Ruttenbur Road; thence southerly, westerly, and northerly along the boundary line of U.S. Census Block 3003 to its intersection with the centerline of Cassadaga Road in the Town of Charlotte; thence westerly along the centerline of Cassadaga Road to its intersection with the centerline of Hall Road; thence southerly along the centerline of Hall Road to its intersection with the centerline of Ames Road; thence westerly along the centerline of Ames Road to its intersection with the centerline of Nelson Road; thence southerly along the centerline of Nelson Road to its southerly intersection with the boundary line of U.S. Census Block 3022; thence southerly, westerly, and northerly along the boundary line of U.S. Census Block 3022 to its intersection with the centerline of Moon Road in the Town of Stockton; thence westerly along the centerline of Moon Road to its intersection with the South Stockton-Cassadaga Road; thence northerly along the centerline of the South Stockton-Cassadaga Road to its intersection with the

centerline of Bruyer Road; thence northwesterly along the centerline of Bruyer Road to its intersection with the centerline of Pierson Road; thence westerly along the centerline of Pierson Road to its intersection with the centerline of Main Street; thence northerly along the centerline of Main Street and then County Touring Route 380 to its intersection with the centerline of Chautauqua Road; thence northeasterly along the centerline of Chautauqua Road to its intersection with the northern boundary line of the Town of Stockton; thence northeasterly along the northern boundary line of the Town of Stockton to its intersection with the southwest corner of the Town of Pomfret; thence northerly along the western boundary of the Town of Pomfret to its intersection with the centerline of West Main Street, being the point or place of beginning.

**District 5** shall be composed of the portion of the Town of Sheridan not included in District 4, and the portion of the Town of Hanover not included in District 6.

**District 6** shall be composed of all of the Town of Cherry Creek, all of the Town of Villenova, the portion of the Town of Arkwright not included in District 4, the portion of the Town of Charlotte not included in District 4, the portion of the Town of Ellington not included in District 12, the portion of the Town of Gerry not included in District 8, and all that portion of the Town of Hanover situate within the following described boundaries: BEGINNING at the intersection of the centerline of Hurlburt Road with the southern boundary line of the Town of Hanover; thence northwesterly along the centerline of Hurlburt Road to its intersection with the centerline of Empire Road; thence northerly along the centerline of Empire Road to its intersection with the centerline of Hopper Road; thence northeasterly along the centerline of Hopper Road to its intersection with the centerline of Quarry Road; thence northerly along the centerline of Quarry Road to its intersection with the southern corner of U.S. Census Block 2000; thence northwesterly along the western boundary line of U.S. Census Block 2000 to its intersection with the western boundary line of U.S. Census Block 2001; thence northerly along the western boundary line of U.S. Census Block 2001 to its intersection with the centerline of King Road; thence westerly along the centerline of King Road to its intersection with the eastern boundary line of the Town of Sheridan; thence northerly along the eastern boundary line of the Town of Sheridan to the centerline of the New York State Thruway; thence northeasterly along the centerline of the New York State Thruway to its intersection with southwest corner of U.S. Census Block 1001; thence northerly along the western boundary line of U.S. Census Block 1001 to its intersection with the northern boundary line of the Town of Hanover; thence southeasterly and southerly along the northern and eastern boundary lines of the Town of Hanover to the southeast corner of the Town of Hanover; thence westerly along the southern boundary line of the Town of Hanover to its intersection with the centerline of Hurlburt Road, being the point or place of beginning.

**District 7** shall be composed of all of the Town of Portland and all that portion of the Town of Westfield situate to the north and east of the following district boundary line: BEGINNING at the intersection of the shoreline of Lake Erie with the northwest corner of U.S. Census Block 2002; thence southerly along the western boundary line of U.S. Census Block 2002 to its intersection with the western boundary line of U.S. Census Block 2015; thence southerly along the western boundary line of U.S. Census Block 2015 to its intersection with the centerline of the New York State Thruway; thence southeasterly along the western boundary line of U.S. Census Block 2019 to its intersection with the boundary line of the Village of Westfield; thence

southeasterly along the boundary line of the Village of Westfield to its intersection with the centerline of Main Street; thence southwesterly along the centerline of Main Street to its intersection with the centerline of Munson Road; thence southerly along the centerline of Munson Road to its intersection with the centerline of Hardscrabble Road; thence easterly along the centerline of Hardscrabble Road to its intersection with the centerline of the Sherman-Westfield Road; thence southerly along the centerline of the Sherman-Westfield Road to its intersection with the southern boundary line of U.S. Census Block 2058; thence northeasterly along the southern boundary line of U.S. Census Block 2058 to its intersection with the southerly boundary line of U.S. Census Block 2070; thence along the southerly boundary line of U.S. Census Block 2070 to its intersection with the eastern boundary line of the Town of Westfield.

**District 8** shall be composed of all of the Town of Chautauqua, all that portion of the Town of Stockton not included in District 4, all that portion of the Town of Ellery situate to the north of the following district boundary line: BEGINNING at the intersection of the centerline of Interstate 86 with the western boundary of the Town of Ellery lying in the center of Chautauqua Lake; thence easterly along the centerline of the Southern Tier Expressway to its intersection with the southeast corner of U.S. Census Block 3025; thence northwesterly continuously along the eastern boundaries of U.S. Census Blocks 3025, 3027, 3028, 3003, 3002, and 3000 to its intersection with the centerline of the Bemus-Ellery Road; thence northeasterly along the centerline of the Bemus-Ellery Road to its intersection with the centerline of Belleview Road; thence northerly along the centerline of Belleview Road to its intersection with the centerline of the Salisbury Road; thence easterly along the centerline of the Salisbury Road to the centerline of the Fluvanna-Town Line Road; and all that portion of the Town of Gerry situate to the west of the following district boundary line: BEGINNING at the intersection of the north boundary line of the Town of Gerry and State Route 60; thence southeasterly along the centerline of State Route 60 to its intersection with the centerline of the Gerry-Levant Road; thence southeasterly along the centerline of the Gerry-Levant Road to its intersection with the south boundary of the Town of Gerry.

**District 9** shall consist of all of the Town of Ripley, all of the Town of Mina, all of the Town of French Creek, all of the Town of Sherman, all that portion of the Town of Westfield not included in District 7, and all that portion of the Town of Clymer situate to the west and north of the following district boundary line: BEGINNING at the intersection of the south boundary line of the Town of Clymer with the centerline of the Clymer-Corry Road; thence northerly along the centerline of the Clymer-Corry Road to the centerline of the Clymer-Sherman Road; thence northerly along the centerline of the Clymer-Sherman Road to its intersection with the centerline of Ravlin Hill Road; thence easterly along the centerline of Ravlin Hill Road to its intersection with the centerline of Clymer Center Road; thence easterly along the centerline of Clymer Center Road to the centerline of Kings Corners Road; thence northeasterly along the centerline of Kings Corner Road to its intersection with the eastern boundary line of the Town of Clymer.

**District 10** shall consist of all of the Town of North Harmony, all of the Town of Harmony, all that portion of the Town of Clymer not included in District 9, and all that portion of the Town of Busti situate to the west and south of the following district boundary line: BEGINNING at the intersection of the shoreline of Chautauqua Lake with the northwest corner of the Village of Lakewood; thence southerly along the west boundary line of the Village of Lakewood to its

intersection with the northeast corner of U.S. Census Block 4020; thence southerly and easterly along the east boundary line of U.S. Census Block 4020 to its intersection with the centerline of Hunt Road; thence easterly along the centerline of Hunt Road to its intersection with the centerline of Winch Road; thence southerly along the centerline of Winch Road to its intersection with the centerline of Cowing Road; thence easterly along the centerline of Cowing Road to its intersection with the centerline of Shadyside Road; thence southerly along the centerline of Shadyside Road to its intersection with the centerline of Lawson Road; thence easterly along the centerline of Lawson Road to its intersection with the centerline of Mill Road; thence southerly along the centerline of Mill Road to its intersection with the centerline of Donelson Road; thence easterly along the centerline of Donelson Road to its intersection with the eastern boundary line of the Town of Busti.

**District 11** shall consist of all that portion of the Town of Ellery not included in District 8, and all that portion of the Town of Busti not included in District 10.

**District 12** shall consist of all of the Town of Kiantone, all of the Town of Carroll, all of the Town of Poland, and all that portion of the Town of Ellington situate to the south of the following boundary line: BEGINNING at the intersection of the western boundary line of the Town of Ellington and its intersection with the centerline of Waterman Road; thence easterly along the centerline of Waterman Road to its intersection with the centerline of Butman Road; thence northerly along the centerline of Butman Road to its intersection with the centerline of Abbey Road; thence easterly and northerly along the centerline of Abbey Road to its intersection with the centerline of U.S. Route 62; thence southerly along the centerline of U.S. Route 62 to its intersection with the centerline of Little Road; thence easterly along the centerline of Little Road to its intersection with the centerline of Leach Hill Road; thence northerly along the centerline of Leach Hill Road to its intersection with the northwest corner of U.S. Census Block 2074; thence northeasterly and then southerly along the boundary line of U.S. Census Block 2074 to its intersection with the northwest corner of U.S. Census Block 2080; thence easterly along the boundary line of U.S. Census Block 2080 to its intersection with the centerline of Waterboro Hill Road; thence southerly along the centerline of Waterboro Hill Road to its intersection with the centerline of Bemis Road; thence easterly along the centerline of Bemis Road to its intersection with the east boundary line of the Town of Poland.

**District 13** shall consist of all that portion of the Town of Ellicott not included in District 17, and all that portion of the City of Jamestown not included in Districts 14, 15, 16, and 17.

**District 14** shall consist of all that portion of the City of Jamestown situate within the following described boundaries: BEGINNING at the intersection of the centerline of Jones and Gifford Avenue with the centerline of Fairmount Avenue; thence southeasterly along the centerline of Fairmount Avenue to its intersection with the centerline of West Fifth Street; thence easterly along the centerline of West Fifth Street to its intersection with the centerline of Jefferson Street; thence southerly along the centerline of Jefferson Street to its intersection with the centerline of West Second Street; thence easterly along the centerline of West Second Street to its intersection with the centerline of Washington Street; thence southerly along the centerline of Washington Street to its intersection with the centerline of Steele Street underneath the Washington Street bridge; thence westerly along the centerline of Steele Street to its intersection with the centerline

of Barrett Avenue; thence southerly along the centerline of Barrett Avenue to its intersection with the centerline of Prather Avenue; thence easterly along the centerline of Prather Avenue to its intersection with the centerline of Forest Avenue; thence southerly along the centerline of Forest Avenue to its intersection with the centerline of Superior Street; thence westerly along the centerline of Superior Street to its intersection with the centerline of Barrett Avenue; thence southerly along the centerline of Barrett Avenue to its intersection with the centerline of Forest Avenue; thence southerly along the centerline of Barrett Avenue to its intersection with the centerline of Cole Avenue; thence easterly along the centerline of Cole Avenue to its intersection with the centerline of Whitehill Avenue; thence southerly along the centerline of Whitehill Avenue to its intersection with the centerline of Smith Avenue; thence westerly along the centerline of Smith Avenue to its intersection with the centerline of Jackson Avenue; thence southerly along the centerline of Jackson Avenue to its intersection with the south boundary line of the City of Jamestown; thence westerly along the south boundary line of the City of Jamestown to its intersection with southwest corner of U.S. Census Block 5018; thence northerly along the west boundary line of U.S. Census Block 5018 to its intersection with the centerline of Baker Street; thence northeasterly along the centerline of Baker Street to its intersection with the centerline of Schuyler Street; thence northerly along the centerline of Schuyler Street to its intersection with the centerline of Pennsylvania Avenue; thence westerly along the centerline of Pennsylvania Avenue to its intersection with the centerline of Trenton Street; thence northerly along the centerline of Trenton Street to its intersection with the centerline of Newland Avenue; thence westerly along the centerline of Newland Avenue to its intersection with the centerline of Huxley Street; thence northerly along the centerline of Huxley Street to its intersection with the centerline of Hunt Avenue; thence easterly along the centerline of Hunt Avenue to its intersection with the centerline of Logan Avenue; thence northerly along the centerline of Logan Avenue to its intersection with the centerline of Harding Avenue; thence northeasterly along the centerline of Harding Avenue to its intersection with the centerline of Todd Avenue; thence westerly along the centerline of Todd Avenue to its intersection with the centerline of Fullerton Avenue; thence northerly along the centerline of Fullerton Avenue to its intersection with the centerline of Fairmount Avenue; thence easterly along the centerline of Fairmount Avenue to its intersection with the centerline of Lovall Avenue; thence northerly along the centerline of Lovall Avenue to its intersection with the centerline of Lister Street; thence northerly along the centerline of Lister Street to its intersection with the northwest corner of U.S. Census Block 1000; thence southeasterly along the northern boundary line of U.S. Census Block 1000 and the eastern boundary line of U.S. Census Block 1007 to its intersection with the centerline of Fairmount Avenue; thence easterly along the centerline of Fairmount Avenue to its intersection with the centerline of Jones and Gifford Avenue, being the point and place of beginning.

**District 15** shall consist of all that portion of the City of Jamestown and all that portion of the Town of Ellicott situate within the following described boundaries: BEGINNING at the intersection of the centerline of Washington Street with the northwest corner of U.S. Census Block 2002; thence southerly along the centerline of Washington Street to its intersection with the centerline of Steele Street underneath the Washington Street bridge; thence westerly along the centerline of Steele Street to its intersection with the centerline of Barrett Avenue; thence southerly along the centerline of Barrett Avenue to its intersection with the centerline of Prather Avenue; thence easterly along the centerline of Prather Avenue to its intersection with the centerline of Forest Avenue; thence southerly along the centerline of Forest Avenue to its

intersection with the centerline of Superior Street; thence westerly along the centerline of Superior Street to its intersection with the centerline of Barrett Avenue; thence southerly along the centerline of Barrett Avenue to its intersection with the centerline of Forest Avenue; thence southerly along the centerline of Barrett Avenue to its intersection with the centerline of Cole Avenue; thence easterly along the centerline of Cole Avenue to its intersection with the centerline of Whitehill Avenue; thence southerly along the centerline of Whitehill Avenue to its intersection with the centerline of Smith Avenue; thence westerly along the centerline of Smith Avenue to its intersection with the centerline of Jackson Avenue; thence southerly along the centerline of Jackson Avenue to its intersection with the south boundary line of the City of Jamestown; thence easterly along the south boundary of the City of Jamestown to its intersection with the south boundary of the Town of Ellicott; thence easterly along the south boundary of the Town of Ellicott to its intersection with the southeast corner of U.S. Census Block 4037; thence northerly along the east boundary line of U.S. Census Block 4037 to its intersection with the centerline of Camp Street Extension; thence northerly along the centerline of Camp Street Extension and Camp Street to its intersection with the centerline of Sanford Drive; thence northwesterly along the centerline of Sanford Drive to its intersection with the centerline of English Street; thence westerly and northwesterly along the centerline of English Street to its intersection with the centerline of Kinney Street; thence northerly along the centerline of Kinney Street to its intersection with the centerline of Willard Street; thence westerly along the centerline of Willard Street to its intersection with the centerline of Winsor Street; thence northerly along the centerline of Winsor Street to its intersection with the northeast corner of U.S. Census Block 2000; thence westerly along the north boundary lines of U.S. Census Block 2000, U.S. Census Block 2001, and 2002 to its intersection with the centerline of Washington Street, being the point and place of beginning.

**District 16** shall consist of all that portion of the City of Jamestown situate within the following described boundary lines: BEGINNING at the intersection of the north boundary line of the City of Jamestown and the centerline of North Main Street; thence southerly along the centerline of North Main Street to its intersection with the centerline of Eleventh Street; thence westerly along the centerline of Eleventh Street to its intersection with the centerline of Washington Street; thence southerly along the centerline of Washington Street to its intersection with the centerline of West Fifth Street; thence westerly along the centerline of West Fifth Street to its intersection with the centerline of Jefferson Street; thence southerly along the centerline of Jefferson Street to its intersection with the centerline of West Second Street; thence easterly along the centerline of West Second Street to its intersection with the centerline of Washington Street; thence southerly along the centerline of Washington Street to its intersection with the northwest corner of U.S. Census Block 2002; thence easterly along the north boundary lines of U.S. Census Block 2002, U.S. Census Block 2001, and 2000 to its intersection with the centerline of Winsor Street; thence northerly along the centerline of Winsor Street to its intersection with the centerline of Bush Street; thence northeasterly along the centerline of Bush Street to its intersection with the centerline of Peach Street; thence northwesterly along the centerline of Peach Street to its intersection with the centerline of Bush Street; thence northeasterly along the centerline of Bush Street to its intersection with the centerline of Thayer Street; thence northwesterly along the centerline of Thayer Street to its intersection with the centerline of Falconer Street; thence northeasterly along the centerline of Falconer Street to its intersection with the centerline of Weeks Street; thence northerly along the centerline of Weeks Street to the centerline of Newton

Avenue; thence westerly along the centerline of Newton Avenue to its intersection with the centerline of Weeks Street; thence northerly along the centerline of Weeks Street to its intersection with the centerline of Buffalo Street; thence easterly along the centerline of Buffalo Street to its intersection with the centerline of Hotchkiss Street; thence northerly along the centerline of Hotchkiss Street to its intersection with the north boundary line of the City of Jamestown; thence westerly along the north boundary line of the City of Jamestown to its intersection with the centerline of North Main Street, being the point and place of beginning.

**District 17** shall consist of all that portion of the City of Jamestown and all that portion of the Town of Ellicott situate within the following described boundaries: BEGINNING at the intersection of the centerline of Hotchkiss Street and the north boundary line of the City of Jamestown; thence easterly along the north boundary line of the City of Jamestown to its intersection with the boundary line of the Town of Ellicott; thence northerly and easterly along the boundary line of the Town of Ellicott to its intersection with the centerline of Interstate 86; thence northeasterly along the centerline of Interstate 86 to its intersection with the east boundary line of the Town of Ellicott; thence southerly along the east boundary line of the Town of Ellicott to the southeast corner of the Town of Ellicott; thence westerly along the south boundary line of the Town of Ellicott to its intersection with the southeast corner of U.S. Census Block 4037; thence northerly along the east boundary line of U.S. Census Block 4037 to its intersection with the centerline of Camp Street Extension; thence northerly along the centerline of Camp Street Extension and Camp Street to its intersection with the centerline of Sanford Drive; thence northwesterly along the centerline of Sanford Drive to its intersection with the centerline of English Street; thence westerly and northwesterly along the centerline of English Street to its intersection with the centerline of Kinney Street; thence northerly along the centerline of Kinney Street to its intersection with the centerline of Willard Street; thence westerly along the centerline of Willard Street to its intersection with the centerline of Winsor Street; thence northerly along the centerline of Winsor Street; thence northerly along the centerline of Winsor Street to its intersection with the centerline of Bush Street; thence northeasterly along the centerline of Bush Street to its intersection with the centerline of Peach Street; thence northwesterly along the centerline of Peach Street to its intersection with the centerline of Bush Street; thence northeasterly along the centerline of Bush Street to its intersection with the centerline of Thayer Street; thence northwesterly along the centerline of Thayer Street to its intersection with the centerline of Falconer Street; thence northeasterly along the centerline of Falconer Street to its intersection with the centerline of Weeks Street; thence northerly along the centerline of Weeks Street to the centerline of Newton Avenue; thence westerly along the centerline of Newton Avenue to its intersection with the centerline of Weeks Street; thence northerly along the centerline of Weeks Street to its intersection with the centerline of Buffalo Street; thence easterly along the centerline of Buffalo Street to its intersection with the centerline of Hotchkiss Street; thence northerly along the centerline of Hotchkiss Street to its intersection with the north boundary line of the City of Jamestown, being the point and place of beginning.

The maps of the enumerated districts referred to above, as well as a map showing the Legislative Districts into which the entire County is herein divided, shall be filed with the clerk of the Chautauqua County Legislature and shall remain on file and said maps shall be considered and hereby are made a part of this Local Law.

SECTION 8. This Local Law, upon taking effect, shall supersede Local Law No. 1-2013 except that County Legislators elected in the year 2021 shall continue to represent the Legislative Districts established in Local Law 1-13 until January 1, 2024. The Legislative Districts established in Local Law 1-13 shall continue to be the Legislative Districts of Chautauqua County for the purpose of filling vacancies in the County Legislature prior to January 1, 2024.

SECTION 9. If any provision of this Local Law shall be adjudged by any court of competent jurisdiction to be invalid, such determination shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the particular provision directly adjudged invalid.

SECTION 10. This Local Law shall become effective forty-five (45) days after adoption, or upon approval by a majority of the qualified electors in the event a permissive referendum is held in accordance with the Municipal Home Rule Law.
