(2) Tentative budget - by September 25th.

The administrative code and any amendments thereto shall take effect thirty (30) days after it is promulgated unless rejected by a 2/3 majority of the County Legislature. The administrative code shall include any functions, offices, or procedures mandated by State law, but pursuant to Section 1.03 of this Charter, the administrative code may supersede and be inconsistent with State law to the extent allowed by Municipal Home Rule Law or other applicable law, and may supersede any existing local laws, resolutions, or rules and regulations heretofore adopted.

(c) Exercise supervision and control of all executive branch entities, and shall prescribe, within budget appropriations, the staffing, internal organization and

(h) Except as otherwise provided in this Charter, make, sign, execute, and implement all contracts on behalf of the County, within the amounts appropriated by the County Legislature, except that a contract for: (1) the lease, sale, purchase, or transfer of real property, or (2) the provision of facilities or the rendering of services by or for any other government must be approved by the County Legislature. In lieu of individual approval of each contract described in (1) and (2) above, the County Legislature may adopt policies authorizing the County Executive to execute and implement classes of such contracts. The County Executive shall have the power to delegate the making, signing, executing, and implementing of contracts to other County officers.

(o) Have exclusive authority to establish executive and administrative policies for carrying out all of the Executive's powers and duties, including those duties specifically enumerated in this Charter.

Section 3.03 Executive Approval

Within ten (10) days after receipt of a legislative resolution as passed by the County Legislature, the County Executive shall approve or veto the same. A local law as passed by the County Legislature shall be submitted to the County Executive for action in accordance with Sections 20 and 21 of the Municipal Home Rule Law.

(a) APPROVAL. If the legislative resolution is approved by the County Executive the County Executive shall endorse the original document and return it to the Clerk of the County Legislature within ten (10) days from the date on which the County Executive received the resolution.

(b) VETO. If the legislative resolution is vetoed by the County Executive the County Executive shall so indicate in writing setting forth the County Executive's objections thereto and within ten (10) days after receipt of such resolution, return the original document to the Clerk of the County Legislature, with the County Executive's veto message attached. In the case of adoption of the annual budget, the County Executive shall have power to veto specific items, which the County Legislature may have changed from the original budget proposal submitted by the County Executive, without vetoing the entire budget.

(c) FAILURE TO ACT. In the event that the County Executive fails to approve or veto a legislative resolution within ten (10) days following the date of its receipt from the Clerk of the County Legislature, such resolution shall be deemed enacted.

Section 3.04 Acting County Executive

The County Executive shall designate, within thirty (30) days of assuming office, subject to confirmation by the County Legislature, an appointive officer of the Executive Branch to be known as the Acting County Executive to perform the duties of such Executive during the Executive's absence from the county or the Executive's inability to act for any reason. Such designation shall be made in writing and filed with the Clerk of the County Legislature, and may be changed by the County Executive at any time by a new designation, confirmed by the County Legislature and filed with said Clerk. In the event that no Acting County Executive has been so designated or that the Acting County Executive is unable to serve during an absence or disability of the County Executive, the County Legislature shall designate such Acting Executive. In the event of a vacancy in the office of County Executive, the Acting County Executive shall perform the duties of the County Executive pending the designation of a County Executive by the County Legislature as prescribed in Section 3.05.

Section 3.05 Vacancy in the Office

If a vacancy occurs in the office of County Executive, it shall be filled by the County Legislature. The appointee shall serve until the commencement of the political year next succeeding the first general election after the happening of the vacancy at which a successor may be elected, and the vacancy shall be filled at such election for the unexpired term. Any person appointed to fill a vacancy shall be a qualified elector of the County and a member of the same political party as the person who vacated the office, and shall be nominated by the county committee of said party, provided, however, that in the event the vacancy is not filled by the County Legislature within forty-five (45) days of the time when such vacancy occurred, the person appointed to fill the vacancy shall not be required to be nominated by the county committee of said party. In the event the person vacating the office was elected with no party affiliation, the County Legislature may appoint any qualified elector of the County.

Notwithstanding the foregoing, if a vacancy in the office of County Executive occurs in the final year of a County Executive's term, the County Legislature's power set forth above to fill the vacancy shall only be effective on or before August 1 of that year. After August 1 in the final year of a County Executive's term, the Acting County Executive shall perform the duties of the County Executive for the remainder of the unexpired term in the event of: (1) a vacancy in the office of County Executive occurring on or before August 1 that remains unfilled by the County Legislature after August 1; or (2) a vacancy in the office of County Executive that occurs after August 1.
