

Chautauqua County Community Health Survey

We need YOUR help!

You know a lot about where you live. You make a difference in the health and well-being of your Chautauqua County community! Please help us understand what matters most to you by taking a few minutes to fill out this confidential survey. Personal, identifiable information is not required, and responses cannot be tied back to you.

The survey should take about 10-20 minutes to complete. At the end of the survey, you will have the option to be **entered into a raffle for one of five \$50 Tops gift cards!** You must complete the survey to be eligible to win.

The Chautauqua County Health Department, local hospitals, and community partners will use this information to find out what health issues are important to you and how to make our community a healthier place to live.
