### LOCAL STATE OF EMERGENCY EMERGENCY ORDER NO. 2-EXTENSION (Sustainable Migration)

On May 18, 2023, a State of Emergency was declared for the County of Chautauqua arising from New York City's program to rapidly increase the number of persons in this County to unsustainable levels. The State of Emergency has been extended, and currently remains in full force and effect.

Pursuant to NYS Executive Law § 24, when a State of Emergency is in effect, the County Executive may promulgate local emergency orders to protect life and property or to bring the emergency situation under control. By law, upon reconsideration of all the relevant facts and circumstances, such an order may be extended for additional periods not to exceed five days each during the pendency of the state of emergency.

If it were allowed for the City of New York or other municipalities to simply flood the County with persons in need of services, as described in the related Declaration, this crisis would only worsen.

On September 29, 2023, by the power vested in me as County Executive of Chautauqua County, I issued Emergency Order No. 2, known as Chautauqua County Sustainable Migration Protocol, that may be extended for additional periods not to exceed five (5) days.

On October 5, 2023, Emergency Order No. 2, known as Chautauqua County Sustainable Migration Protocol, was extended for additional periods not to exceed five (5) days.

On October 10, 2023, Emergency Order No. 2, known as Chautauqua County Sustainable Migration Protocol, was extended for additional periods not to exceed five (5) days.

On October 16, 2023, Emergency Order No. 2, known as Chautauqua County Sustainable Migration Protocol, was extended for additional periods not to exceed five (5) days.

On October 23, 2023, Emergency Order No. 2, known as Chautauqua County Sustainable Migration Protocol, was extended for additional periods not to exceed five (5) days.

On October 30, 2023, Emergency Order No. 2, known as Chautauqua County Sustainable Migration Protocol, was extended for additional periods not to exceed five (5) days.

On November 6, 2023, Emergency Order No. 2, known as Chautauqua County Sustainable Migration Protocol, was extended for additional periods not to exceed five (5) days.

On November 13, 2023, Emergency Order No. 2, known as Chautauqua County Sustainable Migration Protocol, was extended for additional periods not to exceed five (5) days.

On November 20, 2023, Emergency Order No. 2, known as Chautauqua County Sustainable Migration Protocol, was extended for additional periods not to exceed five (5) days.

**THEREFORE**, by the power vested in me as County Executive of Chautauqua County, it is hereby ordered that Emergency Order No. 2, known as Chautauqua County Sustainable Migration Protocol, is extended for an additional period of five (5) days.

**Section 2. Effective Date.**

This extension of the Emergency Order shall take effect immediately.

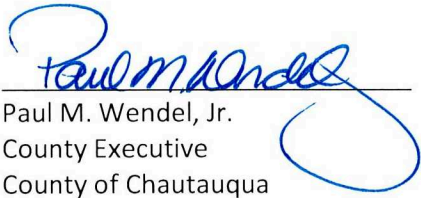

**Section 3. Duration of Local Emergency Order**

The Local Emergency Order shall remain in effect for five days unless sooner modified, extended, or revoked, and may be extended for additional periods not to exceed five days during the pendency of the local state of emergency.

**Section 4. Common Name**

This Order may be referred to as the "Chautauqua County Sustainable Migration Protocol."
