

**ENGINEER
CHAUTAUQUA COUNTY GOVERNMENT**

The Solid Waste Division of the Chautauqua County Department of Public Facilities, located in Ellery, NY, has an opportunity for a career-minded individual to supervise and perform engineering design work for solid waste construction projects at the Chautauqua County Landfill and related operations.

This position may be filled by candidates who qualify as listed below:

- A. Possession of a Professional Engineer's License issued by the State of New York, and two (2) years of professional, post license acquisition experience in either civil, mechanical, sanitary or solid waste engineering, OR
- B. Possession of either an Intern Engineer Certificate or licensure as a Professional Engineer from the New York State Department of Education.

ADDITIONAL REQUIREMENT: At the time of appointment, and during employment in these titles, employees will be required to possess a valid license to operate a motor vehicle in New York State.

A competitive salary is offered commensurate with qualifications, education and experience. Employment benefits include the following:

- Health Insurance, including Vision, Dental and an opt-out payment option
- Vacation
- Sick leave
- Retirement Plans
- Paid Health Insurance Benefit at Retirement
- Wellness Program

Interested candidates should complete a Chautauqua County Application for Examination or Employment form (available on this website), include a resume, and mail it to:
