Return the Favor Veteran's Appreciation Program

The Chautauqua County Clerk's Office has launched a program to show Veterans of the Armed Forces our appreciation for their sacrifice and commitment. YOU can help make this program a resounding success while promoting your business and thanking our Veterans.

The Return the Favor Program is a discount program offered to area Veterans who file their DD-214 military discharge papers with the County Clerk's Office. There is no fee to file the papers, nor is there a fee for the discount program. Filing the DD-214 simply places that document with the County Clerk's office for safe-keeping.

You are being asked to become a participant simply by offering a discount to Veterans. Discount lists will be printed out and given with the card and will also be made available on the County Clerk's website, giving publicity and recognition to YOUR business as being one that supports our military. With more than 12,000 military veterans in Chautauqua County, that's a lot of potential customers this card can send your way. The Veteran will be issued a card that he or she will present to participating businesses to redeem their discount.

This is not a revenue generating program for the County Clerk's office. It is a program designed to show our appreciation for our Veterans and foster a sense of gratitude throughout our community. The success of this program depends on our businesses. We are hoping to have enough support to make the Veterans feel truly appreciated in Chautauqua County. We hope you will join us.

If you are interested in joining us in offering this program, please fill out the attached form and mail it back to our office at the address below or fax it to: 716-753-4293 attn: Kie. If you have any questions regarding the program, please contact Kie Mihalko at the number below.

Thank you for your consideration. We look forward to working with you.

Sincerely,

Larry Barmore
Chautauqua County Clerk
