From: Pierre Chagnon, Chairman - Chautauqua County Legislature
Re: **Procedures for March 25, 2020 Meeting of the Legislature**
Date: March 23, 2020

In order to ensure that social distancing is practiced in our County during this pandemic, the Chautauqua County Legislature has established instructions for the March 25, 2020 meeting of the Legislature. One of the Governor's executive orders this month allows a waiver of the open meetings law and provision for non-public meetings, conference call meetings, or webinar meetings (or other similar technology) as long as the public is able to listen to the proceedings, and as long as a transcript is produced.

The meeting will be held by remote access by all parties, including remote access by County Legislators.

The meetings will be live-streamed on Facebook, which can be accessed on the County Facebook page. <https://www.facebook.com/ChautauquaCountyGovernment/>

In lieu of making a statement or comment in person, any and all public comments that would be presented under privilege of the floor should be emailed by 5:30 p.m. on 3/25/2020 to the Clerk of the Legislature at TampioK@co.chautauqua.ny.us. Emailed statements received by the Clerk shall be read during the privilege of the floor.
