Re: Roberts Road Development Corporation (RRDC) – Finance Reporting
Requirements

Dear Mr. Daly:

Through inquiry and review of organizational documents and board minutes, it has been confirmed that although RRDC was formed on March 19, 2009, there has been no financial activity to date.

As a result, RRDC had no income, expenses, assets or liabilities during or at the end of the period commencing January 1, 2013 and ending December 31, 2013. Because there is no financial information to constitute a financial statement, an audit or financial statements cannot be provided.

Very truly yours,

Susan Marsh, CFO, RRDC
