

St. John's church records; a multi-purpose Word table, based on existing Dunkirk Cemetery table so it will merge

15. Barris, Lois. Genealogical indexes to the Dunkirk Evening Observer... and other local newspapers.

15a. DEO, v.1, 1881-1899, then published in five year intervals to the present. Some of the information found in the Observer was included in other sources, but it is sometimes useful to go back to the indexes.

15b. Grape Belt Index, 1893-1899 – nothing

15c. Fredonia Censor deaths through 1900 – nothing new, but some interesting additional information; includes Fredonia Advertiser.
