

MECHANIC II – CHAUTAUQUA COUNTY GOVERNMENT OFFICES

DEPARTMENT OF PUBLIC FACILITIES

Chautauqua County Department of Public Facilities is accepting applications for a Mechanic II position in the Sherman, NY office. A Mechanic II has the responsibility for the complete maintenance and repair of a wide variety of County owned equipment including automotive vehicles and heavy-duty construction equipment with internal combustion engines. The work requires a thorough knowledge of the trade. General instructions are received regarding tasks to be performed, but considerable leeway is permitted in planning the details of each assignment. Does related work as required. This position is full-time at 40 hours per week as assigned. Starting pay is \$24.30/hour with benefits.

Typical Job Duties:

- Troubleshoots vehicles to determine repairs or adjustments needed;
- Performs skilled operations in the repair and overhaul of mechanical, hydraulic and electrical systems of internal combustion motor equipment, including light duty vehicles and heavy-duty construction vehicles and equipment;
- Performs diagnostics with the use of electronic diagnostic equipment;
- Performs New York State safety and emissions inspections, timed interval preventive maintenance and other related services;
- Makes minor welding repairs to automotive equipment;
- Attaches and removes snowplow blades and other auxiliary equipment;
- May repair and service automotive air conditioning systems as required;
- May operate school buses, and motorized construction vehicles;
- May perform routine labor and semi-skilled buildings and grounds maintenance as assigned.

This position is being filled from approved applications received.

Chautauqua County Offers A Comprehensive Benefits Package Which Includes:
